Summer Camp 2018

Welcome to the International School of Madrid Summer School, which offers an enjoyable programme for children from the ages of 1-9 years old.

Our summer camp is a total immersion in English with our dedicated qualified teaching team. With a range of activities children will have fun and a very memorable summer!

Remember that all our activities are conducted in English.

English: Children will take part in two English activities each day. One, more formal, will follow a structured language programme, the other will allow children to learn, practise and develop their English skills through a wide range of fun, enjoyable and interactive activities. Stories and songs will be done with the younger children.

Sports and Games: Using both our indoor hall and the outdoor playground, children will take part in a range of physical games and activities based on their age, such as football, basketball, volleyball, water play.

Arts, Crafts and Cookery: Each day children will take part in art, craft or cookery workshops. As well as helping children to develop their creative talents, and being a lot of fun, these are a great way for children to practise following instructions in English.

Music, Drama and Computers: During the course a number of other workshops will be given, such as Music and Drama, as well as the opportunity to develop computing skills in our Computer Suite for the older children.

Great Value

The price for the summer camp also includes:

Weekly Swimming Lessons for Pre-School and Primary: As part of the summer school we will be taking the children for a weekly swimming lesson to our local swimming pool. The instruction will be provided by Delfin instructors.

Excursions for children in the Primary Department: Once a week, the children will be taken to trips outside the school, below is a list of activities we are considering. The trips will be finalised when we know the definitive number of children attending:

- Faunia

- Science & Technology Museum of Alcobendas
- The Orchard farm in Montecarmelo.

Timetable

Following feedback from parents we are pleased to announce that we will be offering both a part time and full time timetable. The full time option will include a both a snack and cooked lunch.
